

Dear Polo friends

Finally it's time again! For the 6th time Polo Club Denmark has the pleasure of inviting you to their international meet for Polo fans.

When: 8-10 July 2005 (week 27)

Where: Next to Odense airport in the village of Beldringe outside of Odense - only about 150 km from the German border.

Our meet is probably the only international meet only for Polos left, and perhaps that is the reason why our meet has become so popular - not least abroad. Every year we have visitors from Germany, Norway, the Netherlands and of course from Denmark, but we still have room for many more Polos!

A.o. the meet offers the following:

- Meet **ONLY** for Polos (other cars can park at the parking lot)
- Room for camping next to your Polo
- Electricity for caravans etc.
- Water for car washing
- Snack bar - "**Havnens Grill**"
- Good shower- and toilet facilities
- Nearby shopping possibilities
- Party tent with dance music
- Rolling road
- Exhibitors of tuning- and styling

The place of the meet is located just outside the city of Odense in a peaceful area next to the airport and is beautifully surrounded by bushes and trees.

As always there are various competitions with prizes for the winners.

This year we have even increased the number of prizes, so that there is a total of 28 cups and 12 diplomas to be won. Last year we gave away 21 cups in total.
